Montgomery County councilmembers Nancy M. Navarro (D-Dist. 4) of Silver Spring and Philip M. Andrews (D-Dist. 3) of Gaithersburg presented a proclamation to Leisure World residents Tuesday on behalf of the council.

The proclamation recognized the Silver Spring community's 45th anniversary.

"Leisure World residents are known for their volunteerism and giving back to the community through time, energy and financial support to a wide variety of charitable, public, and religious entities that improve lives in Montgomery County," Navarro said.
